Welcome . . .

This is the 93rd consecutive year that our communities have supported the Utah State Junior Livestock Show. That support is not given lightly in this day and age when there are so many other youth activities that compete for both time and money. I believe that the continued financial and man hour support is given because people recognize that the Livestock Show provides valuable experience to our youth. It provides lessons in their youth that can be used throughout the rest of their lives.

The volunteers that work to put on the stock show have accumulated hundreds of years of service between them. Some have served for over 25 years. Some will serve for the first time this year. All are dedicated to making this the best experience possible for our youth. I cannot express how grateful I am for all the great people that help make the Utah State Junior Livestock Show the success that it is.

All of us will make the 93rd Utah State Junior Livestock Show another great experience.

Clay J. Nielsen
Utah Junior Livestock Show Manager

To all stock show visitors. This is one of the free enterprises which make our nation the richest and most powerful in the whole world. It develops service and individual inspiration. It creates improvements and advancement for future progress. It develops in our youth self-application for a greater future. We congratulate the Stock Show Committees of past and present for this very fine show.

STATE JR LIVESTOCK RULES

A. GENERAL RULES

1. **Age:** -- 4-H ages and grades are based on the 4-H year, which begins October 1 and ends September 30. Categories are determined by a youth's age and grade on October 1, the beginning of the 4-H year. Junior members: Grades three – five (3-5) and at least 8 years old as of October 1. Intermediate 4-H Members: Grades six – eight (6-8). Senior 4-H Members: Grades nine – twelve (9-12). Large animal, shooting sports and some other projects require youth to be in the 3rd – 12th grades and at least 8 years of age on October 1, the beginning of the 4-H year. See the age rules under each specific project area. Eligibility for 4-H membership terminates upon graduation from grade 12. Seniors may exhibit through the summer of their graduation year. 4-H'ers are then eligible for collegiate 4-H membership. Individuals with developmental disabilities who exceed the upper age/grade level for membership may participate as a 4-H member. For local and state competitive events in which there is a regional or national contest, the age guidelines of the regional or national contest shall apply. National contest – contestant must already have passed his or her 14th birthday, and may not have reached his or her 19th birthday as of January 1 of the year in which the National 4-H Competitive Event is held. However, the State 4-H Leader may grant a special authorization to compete, for youth with developmental disabilities who exceed the upper age limit. (CSREES/USDA and National 4-H Leadership Trust, April 2002)
2. **Group Affiliation** -- An exhibitor may enter a given show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at time of entry.
3. **Ownership of animals** - The exhibitor will own, possess, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine, market sheep and market goats immediately prior to the opening day of the show they intend to participate in. No interruption of ownership or possession can occur.
4. **Fitting on show grounds** -- The fitting of animals will take place in areas designated by the livestock show committee. Parents, guardians, siblings, club leaders, Extension/4-H agents and FFA advisors may assist, and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.
5. **Code of Ethics** (rules 5-a through 5-h) -- The following practices or procedures are unacceptable in the care, fitting, preparation and showing of all classes of livestock. Exhibitors found in violation of rule A or B of this code will forfeit any premium, award or auction monies and will be prohibited from further competition at any Association member show for the duration of their junior eligibility. Any violation of rules C through G or specific rules as designated by individual fairs and livestock shows will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in Association member shows. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other member shows will be notified of any action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final.
 - A. The use of any drug, tranquilizer, sedative, or depressant, which alters the psychological or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified. Use of an illegal drug is considered a premeditated act and any information obtained in the practice of illegal alteration of any animal will be turned over to the proper authorities for possible criminal prosecution.
 - B. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.
 - C. Treating an animal internally or externally, with any irritant, counterirritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to, the use of graphite, powders, hemp, artificial hair, coloring, common products such as fly spray, ointment, or liniment used to the point that it is irritating, or similar type products. The use of dyes, spray paint, or other artificial coloring, which results in altering an animal's true and natural appearance and/or color, is prohibited. Adding false hair or hair-like material, fleece, or skin at any point, spot, or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler, etc. Drenching will not be allowed unless the show veterinarian or a show official is present and is needed for emergency purposes only.

- D. Each exhibitor has absolute responsibility for the care and condition of the animal(s) they enter and bring to the show.
 - E. The use of inhumane fitting, showing, and handling practices or devices shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, muzzles, etc. is not acceptable.
 - F. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.
 - G. All terminal show market grand and reserve champion animals that pass through a sale must be drug tested.
 - H. At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center for any reason. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.
 - I. Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials.
6. **Dress Code –**
- 4-H** - A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts must be solid white in color and need not be Western style. Black or blue pants are to be worn. There is to be a 4-H emblem or patch on all 4-H member shirts.
 - FFA** - Either a white shirt, tie and FFA jacket, or a white shirt with the FFA emblem and tie (t-shirts are not allowed.)
- The following will not be allowed:** T-shirts, tank tops, tube tops, sleeveless shirts and vests.
- Exhibitors who fail to abide by dress standards will forfeit prize money.
- 7. **Sales Fee** - A sales fee not to exceed 5% will be withheld from sales checks by all state-assisted shows. Any purchaser(s) of animals from a Junior Livestock Show Auction must pay the Show the full purchase price of sale regardless of buy-back.
 - 8. **Change of Ownership** -- Once an animal has gone through any stock show sale, regardless of buyback or no-sale, it is no longer eligible to enter another state assisted show.
 - 9. **Show Eligibility** - Animals are eligible for any show for which they meet ownership and show requirements.
 - 10. **Lamb Docking Rule** – Scientific research indicates that the incidence of rectal prolapsed is reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at the distal end on the caudal fold (3rd caudal vertebra). Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects. Market lambs or breeding sheep showing any signs of contagious disease or current or recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted from Utah Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and their determination is final.
 - 11. **Name Change** - If an animal has been shown in a market show in-state or out-of-state, it must be shown in the same exhibitor name in all subsequent shows.

B. MARKET ANIMAL RULES:

- 1. **Drug Withdrawal** -- It is unethical and in most cases even unlawful to administer drugs to livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be withdrawn from their class rather than be tranquilized. The local show committee and the show veterinarian will monitor this situation. By federal regulations, random testing will occur at slaughter, and animals will be condemned which have been given any injection or oral dosages of tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat medicine and other medications with no withdrawal requirements may be permissible. Exhibitors need to be aware of potential health hazards to consumers who eat animals that have received any above-mentioned substances. Please do not put someone's life in jeopardy.
- 2. **Tagging** -- The Extension/4-H agent, FFA advisor, or a member of their appointed committee shall tag each animal and process the proper forms. Should a tag be lost or pulled out of the animal's ear, the exhibitor will advise the committee supervisor immediately so that the tag can be replaced and the appropriate paperwork be processed.
- 3. **Market Animal Weights** -- (see form 1 for schedule of suggested show weights.) Ideal market weights as determined by the meat industry may vary somewhat from year to year, but the following show-day ranges are what suggested weights are based on:

Beef:	1,000 - 1,275 lbs	2.75 lbs gain/day
Sheep:	90 - 130 lbs	.75 lbs. gain/day
Swine:	240 – 290	1bs 1.5 lbs. gain/day
- 5. **Extra Animals** -- Exhibitors may tag one extra animal per species for each show.

6. Entry Forms & Deadlines – Exhibitors must check with each livestock show for entry deadline for that specific show. Exhibitors are responsible for mailing their own entry form. Entries postmarked by that date will be accepted. Exhibitor must declare which animals are to be shown, and submit an entry form and entry fees to the appropriate shows, including State Association ear tag numbers. The tag number and alternate tag number must be specified on the exhibitor entry form to be eligible. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species entered. Forms must be signed by proper Extension/4-H agent or FFA advisor to verify exhibitor and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility for group and family feeding programs.

Entry forms for fitting and showmanship classes must also be submitted by the entry deadline of the show and need to indicate class to be entered (species) and age of exhibitor.

Entry fees will not be withheld from sales checks. Entry fees are to be sent along with all entry forms.

7. Poultry - In keeping with the desire to help eliminate disease problems, certain counties will not be eligible to receive turkey poultry from the Moroni hatchery. Exhibitors may, however, have turkey projects along with family commercial operations. An exhibitor will own, feed and care for his/her project turkeys for not less than 20 weeks prior to the turkey show. Birds must not be more than 24 weeks of age at the time of the show.

C. BREEDING ANIMALS:

Exhibitors are encouraged to expand their scope of livestock project experience to include breeding livestock projects.

D. RULE ENFORCEMENT:

The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing to the Utah State Junior Livestock Shows Association Board. Shows that do not comply and enforce the rules adopted may lose Association funding. If immediate action is needed, the board of the Utah State Junior Livestock Shows Association is empowered to make the ruling decision. The State Veterinarian has the final ruling on lamb tail docking and any health issues.

SPANISH FORK UTAH STATE JR. LIVESTOCK SHOW RULES AND REGULATIONS

(EXCEPT AS PROVIDED HEREAFTER, STATE ASSOCIATION RULES APPLY)

1. Officials hold final decision and control. All exhibits, grounds and buildings will be under the entire control and management of the officers.
2. The Board of Directors have the final and absolute right to interpret all matters arising out of or connected with the Show or Sale.
3. All market classes are limited to 4-H and FFA exhibitors.
4. Animals in market classes will be classified for judging by committee.
5. All market beef, market lambs, and market hogs in each division (4-H and FFA) will be judged jointly.
6. When there is limited competition, the judge is requested to award such premium as the exhibit merits in his/her opinion.
7. Questions or problems are subject to review by 1) Committee Chairperson; 2) Manager; 3) Board of Directors.
8. The stalls, pens, exhibitor's area must be cleaned by 8:00 a.m. each day and kept clean. All refuse matter will be disposed of as the committee chairperson may direct.
9. The Utah State Junior Livestock Show will not be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any loss or damage done to another or occasioned by, arising from any animal or article exhibited by any person(s), and shall indemnify the Utah State Junior Livestock Show against all legal or other proceedings in regard thereto.
10. Exhibitors shall furnish necessary feed.
11. All exhibitors should attend the Exhibitors Jamboree to receive awards and prizes.
12. **In fitting and showmanship contests exhibitor must show their own animal entered in their name at the show.**
13. Failure to comply with these rules or bad conduct will forfeit prize money.

14. All showing and selling of market animals at the show must be done by exhibitor unless excused by the management for reasons that are deemed sufficient. Failure to comply will result in animal being sifted or prize money withheld.
15. All male animals in all market classes must have been castrated.
16. No one is allowed to sleep in the barns.
17. WHITE RIBBON ANIMALS WILL NOT BE SOLD THROUGH STOCKSHOW SALE.
18. No dogs, or squirt guns allowed on stockshow grounds. No lariat's in an enclosed area.
19. The Utah State Livestock Show will not be responsible for breeding animals, white ribbon market animals, and market animals withdrawn from sale or left on the show grounds after 3: 00 p.m. on Friday of the show.
20. Any white ribbon market animal or market animal withdrawn from the sale that are being sold to the packer must be placed in a pen designated by the show officials prior to the beginning of the livestock sale on Saturday morning.
21. All exhibitors must be in the third grade, but not less than 8 years of age as of October 1 of the current 4-H year.
22. All sifted (due to weight) animals can compete in Fitting & Showmanship. **Animals sifted due to health reasons must be removed from show grounds immediately.** (See page 13)
23. Champion and Reserve Champion animals will be drug tested.
24. **All pens for market and breeding animals must be cleaned, taken down, and panels placed in the designated area by the close of show. Penalty for not cleaning pens will be deducted from the sales check in the amount of \$25.00.**

ENTRIES

(Please Read Carefully)

ALL ENTRIES CLOSE April 1, 2017. All entries should be made upon official form provided in the book and online. <http://bit.ly/2mWZQN7> Enter only the number of animals to be shown plus one alternate. **Mail** to: Secretary, Zane Evans, 1064 West River Hill Rd., Spanish Fork, Utah 84660. Questions, call 385-230-5225.

1. When filling out the entry forms make sure you put the address that you want your check mailed to and a correct phone number and email where you can be contacted in case there are any questions.
2. **Entry & Bedding fee of \$10.00 for the 1st animal and \$5.00 for each additional animal per exhibitor.**
3. No exhibitor can enter or show more than two market beef, one market hog or two market lambs or any combination of two market animals. Exhibitors can only sell one (1) animal. All champions and reserves must sell.
4. All animals must remain on show ground until 3:00 p.m. Friday.
5. Up to date record books must be approved by FFA advisors and county agents before entries will be signed for show. Animals exhibited in market division cannot be shown in breeding division.

WEIGHING and CHECK-IN

All animals will be weighed by the committee during the designated time period. An exhibitor will have only one opportunity to weigh each animal on the designated scale for that species. Animals must meet minimum weight for market classes. Breeding animals need to be checked in but do not need to go across the scale.

Market Hogs	8:00 am – 12:00 pm	Pig Barn	235 lb minimum
Market Lambs	8:00 am – 11:00 am	Lamb Barn	90 lb minimum
Market Steers	11:00 am – 12:30 pm	Beef Barn	1100 lb minimum
Breeding Sheep	8:00 am – 12:00 pm	Lamb Barn	Not weighed
Breeding Beef	8:00 am – 12:00 pm	Beef Barn	Not weighed

SIFTING OF EXHIBITS

1. Department committees will examine all exhibits and eliminate any animals not considered of suitable quality, condition, age or health to enter competition. Animals not properly trained to handle will be sifted. They will be examined at time of weigh in or any time during the show. Those not meeting the above standards will be sifted at that time.

- a. *Animals sifted due to health reasons* must be removed from show grounds immediately, and cannot compete in fitting and showmanship.

ANIMAL HEALTH- Dr. Greg Huff

1. Any female breeding beef over 12 months of age must be officially vaccinated for brucellosis. Brucellosis tattoo must be legible as proof of vaccination.

2. All breeding sheep and ewe lambs shown as market animals must have a scrapie tag.

3. Vet will verify age of steers to be under 24 months.

4. Vet will verify tail dock on lambs.

SALE OF ANIMALS

1. All entries in market classes are accepted with the distinct understanding that all animals will be sold at auction following exhibition and judging, unless animals are being pulled per rule #2. Grand and Reserve animals must sell.
2. **Exhibitors exhibiting two market animals or wishing to pull their single animal from the show are required to complete the pull form and turn into show office by the end of the last market show Thursday evening.** Exhibitors are required to provide the tag number of the animal to be removed from the sale.
3. ALL MARKET BEEF MUST HAVE PROOF OF OWNERSHIP BROUGHT WITH THE CATTLE AT THE TIME OF WEIGH IN. A brand inspection certificate must be in possession at time of consignment. A bill of sale is a document transferring ownership and includes marks, brands, sex, breed, color and other identification. In case of branded animals, bill of sale must be signed by seller.
4. Exhibitors must not dispose of or remove any breeding animals before Friday evening at 3:00 p.m. Any violation of this rule subjects the exhibitor to a forfeiture of all premiums won by the exhibitor.
5. The show management shall have entire and complete say as to how and when animals are entered in the auction sale. It shall be the aim of Show officials to so classify sale entries that animals of similar quality shall follow each other in sale order.
6. Owners of animals are responsible for their animals until they are sold. Buyers are then responsible.
7. Each Buyer must sign up for a Buyer Number and provide the correct billing address and phone number.
8. A sales fee not to exceed 5% will be withheld from sales checks for all market livestock sold.
9. If an animal is going to be split between multiple buyers you must come to the sales office on sale day to specify how the bill is to be split. If not, the bill will be split evenly between the buyers.
10. ***Exhibitors will not receive their checks until the purchase of the animal has been paid in full. Regardless, checks will not be issued before June 15th.***
11. Market animals will be sold on a "by the head" basis. No add on can be made after final sale.

PACKER BIDS

1. Packer bids for market animals must be submitted to either the show manager or president in writing or via email or text message by Thursday at 12:00 noon. clay.nielsen@zionsbank.com
(801.376.5025)
2. The show management reserves the right to reject any bid

LIVESTOCK JUDGING CONTEST

1. Teams will consist of four members. State 4-H and FFA rules will apply.
2. When possible the entire contest will be held in the show arena.
3. Members enrolled in both 4-H and FFA must declare which division they are judging in.
4. All teams must be accompanied by a group leader to help score the contest unless they are involved in another area at the show, otherwise the team will not be scored.

MARKET BEEF

CHAIRMAN Lynn Swenson

COMMITTEE Mick Balzly, George Hunter, , Frank Nelson,

1. Only steers can be shown in the Market Beef Division.
2. Premiums for the various ribbons will be pro-rated according to the number and quality of animals shown.
3. Minimum weight is **1100 lbs.**
4. All market beef will be stalled in an area designated by the committee.
5. Any market beef exhibited at any previous show must be exhibited at this show by the original owner.
6. The maximum weight used to calculate the floor price will be 1350 pounds. ALL weight over 1350 lbs. will be donated to the buyer.
7. WHITE RIBBON STEERS WILL NOT BE SOLD.
8. **Market beef over 24 months of age will be sifted. A certified veterinarian will be asked by the committee to determine age by examining the animal's teeth. Steers may have no more than two permanent teeth, with all other teeth being baby teeth which are in place.**
9. Unruly animals may be excused from the show.

MARKET BEEF FITTING AND SHOWMANSHIP CONTEST

CLASS 1- School Grade 9 and up- Senior

CLASS 2- School Grade 6, 7, 8- Intermediate

CLASS 3- School Grade 3, 4, 5- Junior

1. Animals must be completely groomed and ready for contest when entering the arena.
2. Only animals entered as Market Beef are eligible.

BREEDING BEEF CATTLE

All major registered breeds and percentage commercial heifers

CHAIRMAN
COMMITTEE

Shane Sorensen

Garrick Liddiard, Kevin Lyman, Brian Sorensen, Kevin Sorensen,
Nicole Draper, Brian Fredrickson

HEALTH

Dr. Greg Huff

1. Exhibitors may exhibit two animals of any breed within a class.
2. The following information must be specified for each animal on the entry form to be eligible to show: breed, sex, birthdate, tattoo, and registration number (if registered). If the animal is registered, the name of the animal and its sire must be listed as they appear on the registration papers.
3. Junior and open class cattle will be shown separately. Junior registered heifers will be shown separate from commercial heifers. If the registration information required in item 1 is not specified on the entry form, the animal will be included in the commercial class.
4. All animals shown in the registered division must be registered in an accepted breed association.
5. **All animals must arrive and be checked into the show with the chairperson or his designee by 11:00 a.m. on Wednesday to facilitate the breakdown of classes. No exceptions.**
6. Breeding beef must have proof of ownership at the time of weigh in. A brand inspection certificate must be in possession.
7. All junior exhibitors must be current members of 4-H or FFA.
8. For any animals not penned in closed stalls, a neck rope will be required.
9. Nose leads will be required for all bulls over 12 months of age.
10. Animals must be completely groomed and ready for show when entering the arena. **Show will be conducted in the yellow show barn.**
11. All cattle being shown in the breeding classes must remain until Friday at 3:00 p.m. No exceptions. All prize money will be forfeited if animals are taken before the authorized time.
12. Unruly animals may be excused from the show.

BREEDING BEEF CLASS BREAKDOWN

Classes

1. Bulls – Bulls will be shown together regardless of age, unless sufficient numbers are entered to justify multiple classes.
2. Heifers (Open and Bred) – Heifers will be separated into classes based on age. If the Committee determines that sufficient numbers from individual breeds are entered, classes may also be separated by breed.
3. Cow/Calf Pairs – Cow/Calf Pairs will be shown together regardless of age, unless sufficient numbers are entered to justify multiple classes.
4. Bred and Owned Female – This division is being created to promote beef production. To qualify for this class, the female must have been bred by the exhibitor and/or their immediate family. These heifers can also be shown in Class 2.
5. Pen of Three Breeding Heifers **
6. Pen of Three Breeding Bulls **

** The Jr. Livestock Show is again sponsoring a group classification in the Breeding Cattle Division. This classification will be “Pen of Breeding Heifers” or “Pen of Breeding Bulls”. A pen will consist of three animals. The heifers may be purebred or commercial and cannot have produced a calf. The heifers may be bred or open. The bulls must be under 30 months of age.

Pens will be judged on the basis of quality, uniformity and potential asset towards beef production. These animals need not be halter broke, washed or groomed. They will be held in pens throughout the show and will be judged in the same competition. Animals entered in pens need not qualify for breed registration. Bulls or heifers being shown in the halter classes cannot be used to make a pen of three animals.

BREEDING CATTLE FITTING AND SHOWMANSHIP

(Following Quality Show)

Class 1 (Senior) – 9th Grade and up

Class 2 (Intermediate) – 6th, 7th, and 8th Grades

Class 3 (Junior) – 3rd, 4th, and 5th Grades.

1. Participants must have exhibited at least one animal in the Breeding Cattle Division.
2. The animal being shown must have been exhibited by the participant in the Breeding Cattle Division.
3. Participants may show an animal from either sex in the class.

BREEDING SHEEP DIVISION

CHAIRMAN

John Olsen

COMMITTEE

Meredith Olsen, Luke Olsen, Trisha Olsen, Jorgen Olsen, Malinda Olsen

Breeding Sheep Classes:

1	Ewe Lambs	1	Ram Lambs
2	Yearling Ewes	2	Yearling Rams
3	Aged Ewes	3	Aged Rams
4	Champion Ewe – Meat	4	Champion Ram – Meat
5	Champion Ewe – Wool	5	Champion Ram – Wool
6	Supreme Ewe	6	Supreme Ram
	Reserve Supreme Ewe		Reserve Supreme Ram

RULES

1. Exhibitors may exhibit two animals of any breed within a class, but must provide their own help in showing the animals. Assistants must be a 4-H or FFA member.
2. **All animals entered must have a scrapie tag and be inspected by the veterinarian prior to penning.**
3. Animals will be placed by breed within each class.
4. The top two animals from each breed will compete in the championship classes.
5. Animals will be judged according to published breed standards.
6. Lambs entered in the market lamb division are not eligible for show in the breeding sheep division.
7. Breeding animals must remain on the grounds until Friday at 3pm.

BREEDING SHEEP FITTING AND SHOWMANSHIP

Class 1 – JUNIOR School Grade 3,4,5

Class 2 – INTERMEDIATE School Grade 6,7,8

Class 3 – SENIOR Grades 9 and up

1. Participants must have exhibited at least one animal in the Breeding Sheep Division.
2. The animal being shown must have been exhibited by the participant in the Breeding Sheep Division.
3. Participants will be evaluated on the following:
 - a. Fitting and grooming of the animal.
 - b. Preparation of the participant.
 - c. Participant's knowledge and ability to promote the breed they are showing
 - d. Participant's showmanship skills

MARKET LAMBS

**CHAIRMAN
COMMITTEE**

Ben Mangelson and Sam Lunceford
Chet Andersen, Cliff Brimhall, Brandon Gardner, Kenton
& Cheryl Phillips, Suzanne Spencer

(Enter animals from the west end of the big barn)

1. Top placing lambs in each class may be eligible to compete for champion.
2. MARKET LAMBS MUST WEIGH 90 LBS. MINIMUM WITHOUT BLANKETS.
3. The maximum weight used to calculate the floor price will be 150 pounds. ALL weight over 150 lbs. will be donated to the buyer.
4. WHITE RIBBON ANIMALS WILL NOT BE SOLD
5. No muzzles allowed on any lamb at any time.
6. All exhibitors will be required to take down all panels and stack panels on trailers.

MARKET LAMB FITTING AND SHOWMANSHIP CONTEST

CLASS 1 - School Grade 9 and up – Senior

UTAH JUNIOR LIVESTOCK SHOW SALE RULES AND PROCEDURES

2017 SALE ORDER

Market Lambs - Market Beef - Market Hogs

GENERAL INFORMATION

1. Sale begins at 10:00am on Saturday, May 6
2. Sale will be held in the main show arena
3. All animals are sold by the head
4. All Grand and Reserve Champion animals must sell and will be drug tested.
5. No animals will be purchased without a buyer number. Buyer numbers are available at the sales office prior to, and during the sale.
6. Payment for animals bought through the sale is due immediately.

METHODS OF BUYING ANIMALS

Personal/Take Home Use

If you would like to purchase a market animal to eat, or a ewe lamb or gilt to take home, use this method. You will bid on the animal and pay the FULL SALES AMOUNT. After the sale is final, you will need to show your buyer number and tell the ringmen where you would like your animal to go. If you are going to send the animal to the processor for your personal use, simply tell the ringmen which processor you would like the animal sent to. The processor will then contact you for cutting instructions. Please note: you will be responsible for all processing fees in addition to the purchase cost of your animal.

Boosting An Animal

If you do not want to purchase an animal for personal use, but you would still like to support a Jr. Livestock Competitor, you can elect to "Boost" the animal. In this case, you do not get to keep the animal. You bid on the animal and then PAY THE AMOUNT OF THE FINAL BID MINUS THE FLOOR PRICE. The floor price is the market value of the animal that the packer will pay to keep the animal and sell the processed products. This method allows you to support students in this endeavor, and reward them for their hard work. If selecting this option, bid on the animal and after the sale is final, show your buyer number and simply tell the ringman you want to "boost" the animal.

For example: You boost a market steer. Your final bid is \$1800.00; the floor price for the steer was \$1456.00; you would pay the final amount minus the floor price.

$$\$1800.00 - \$1456.00 = \$344.00$$

$$\text{(final bid)} - \text{(floor price)} = \text{(owed to boost the animal)}$$

**THANK YOU FOR YOUR SUPPORT OF THE UTAH JR LIVESTOCK
SHOW!!!**
